ABRASION: 300.000 Martindale
FLAME RESISTANCE:: EN 1021-1+2, SL1
COMPOSITION: 100% Vinyl, Backing: 100% PES

WASHING INSTRUCTIONS

Use mild soap and a white damp cloth to clean or special cleaning products for vinyl fabrics. Please note that strong cleaning products may cause immediate permanent damage to the fabric. The vinyl should be cleansed periodically in order to maintain its appearance and prevent build-up dirt.

PRODUCT DESCRIPTION

Carrara is a durable and fire retardant choice for contract upholstery. The material has a vintage leather look and feel and it's very easy to maintain. Carrara is also suitable for outdoor furniture since it endures well low temperatures, but after -32°C degrees some cracking may occur. Carrara is a safe and phthalate free and mildew resistant material.

Carrara's color map includes 12 neutral shades which are easy to combine with any kind of decor.
