## Product Description

Elegant and modern Room is durable and easy to maintain. Room is suitable for items that are in active use – for furniture, cushions and for loose covers. The chenille like yarn used in the fabric makes Room nice and soft. You can find Room in 15 beautiful and neutral shades.

This fabric is a part of Lauritzon's Easy Care Collection. Its surface is dirt resistant and it is low-maintenance. No harmful chemicals or treatments have been used in Easy Care® fabrics, which makes them also non-allergenic and environment friendly.
